

Note: From the President

Greetings Brothers and Sisters:

For the past 30 years, our Local has had one dedicated very dedicated labour activist and President. Ken Cole started our Local in 1987 and now after thirty years of service, he has decided it's time to take a well-deserved retirement. Ken will still be active within our Local, as a retiree.

I now have the privilege of being your Local President. I have been a member of this Local for 19 years. Over these years, I've been given many opportunities to learn and grow and welcome new challenges.

I was employed by Moore Packaging in Barrie and this is where I became interested in getting involved with the Union. My first involvement in the Union was when I became a Shop Steward, then over the past ten years I served as their Chairperson. Then, I decided to become more involved as a Local Officer, I served as Guard for four years and the Local Treasurer for four years.

I look forward to working with all members!

In Solidarity,

*Lisa Marks*
